

Fayetteville Locals.

To our Friends and Patrons.

We greet you all with a happy, happy New Year. The year whose sands have already run out, has brought joy and grief, prosperity and adversity, fortune and misfortune. Politically, the skies are not serene and pleasant; but let us hope that the threatening clouds may soon disperse, and that whether Tilden or Hayes is to command the ship of state, she may sail in safety on a smooth sea, and the crew never become mutinous. We also wish to inform you that we are still at the old stand, "pegging away" with a large stock of goods, determined as ever to give all that call on us their money's worth, and the politest attention that our rough natures are capable of.

"For the hoary mowr strides spaces,
Nor crops alone the ripened seas,
And we may wish the merriest firs
Amidst your gainst another year!
Whoso survives, be kind as we have been."

And think of those beneath the green."

Williams & Stonebraker, of Fayetteville, have recently improved their Diamond Millstone Dressing Machine, and it is now unquestionably the best machine for the purpose for which it is designed, before the public. We have seen testimonials of its worth from practical millers in the north-west, west, and south, and they with one accord say it is the "best machine ever invented."

Last Tuesday night was fearfully cold—the bitterest of the season. It is said the mercury fell fourteen degrees below zero.

Pleasant Christmas Festivals were held at all the Fayetteville churches.

M. W. Woodard & Co. is the style of a new wholesale firm formed in this place to deal in grain. Their place of business is north side of the square, next to Petty's, where dealers will receive prompt attention. With ample capital and the fair concessions denning that are characteristic of Judge Woodard and B. M. Hatcher, Esq., the firm is bound to transact a large business.

Fayetteville has recently lost an excellent resident by removal. Dr. A. S. Duval, who has been a citizen of this place for nearly thirty years, recently moved with his family to Nashville, where he will have a wider field for the practice of his profession. He leaves many friends here who, while regretting the loss that this community sustains by the migration of one of its best citizens, will always be glad to hear of his prosperity. He is an accomplished dentist, an intelligent gentleman, and an easy, self-composed associate, who merits success in all his undertakings.

The late heavy snow placed an embargo on business. Roads in places were difficult to travel, added to which the keen, piercing wind made a place by a warm fire preferable to outdoor exposure. Quarterly County Court was not held, there not being a quorum of Magistrates present; which necessitates the calling of a special term on Friday, the 19th inst.

At a regular meeting of Calhoun Lodge No. 26 I. O. O. F., Friday night, 29th ult., the following officers were elected, to serve six months. Installation Friday night, 5th inst:

S. F. Werren, N. G.
W. H. McNeely, V. G.
J. R. Feeney, R. S.
Geo. J. Stonebraker, Per. Sec.
W. T. Moyers, Treas.

It is hoped that the late heavy snow will have a reviving influence on the wheat that ought to be growing. The recent dry cold weather had a bad effect, in retarding growth if not freezing out, and a deep snow was scarcely needed.

Last Tuesday night was fearfully cold—the bitterest of the season. It is said the mercury fell fourteen degrees below zero.

THE TRIBUTE OF RESPECT.

The undersigned, having been appointed by the officers and members of the Methodist E. Sunday School at Fayetteville, to draft suitable resolutions on the death of our friend, sister and former member of our school, OCTA HATCHER, which occurred Nov. 29th, 1876, at the residence of Rev. J. M. Jordan, Spring Hill, Maury county, Tenn., beg leave to submit the following—

WHEREAS, It has pleased the Allwise Ruler to sever from our association one whom we all loved,

Resolved, That we bow in sorrowful submission to the will of Him who doeth all things well,

and that we cherish with fond recollection her kind and gentle disposition and amiable christian graces.

She was a true christian and with the sunshine of a cheerful hopeful spirit, she won the esteem of all with whom she associated.

But, although we loved her much,

we would not have her back, for we sincerely believe that she has entered into that rest that remains for the people of God.

And would say in the language of the inspired penman, "Blessed are the dead who die in the Lord from henceforth; ye, saith the Spirit, they do rest from their labors, and their works do follow them."

Resolved, That we specially con-

sole with her disconsolate mother,

brothers and sister, and tender to them the sympathy of the entire community, by whom she was so devotedly loved, recognizing in her death the hand of Him who tempts the wido to the shorn lamb, and command them to his faithful care and kind protection, trusting that their heavy loss will be her ultimate gain.

Resolved, That the members wear the usual badge of mourning for thirty days, that our routine be draped, and that these resolutions be spread upon our minutes, and a copy of them be sent to the mother and family, and that the Fayetteville OBSERVER and EXPRESS and NASHVILLE CHRISTIAN ADVOCATE be furnished a copy with the request to publish it.

Respectfully,

JNO. Y. GILL.

Mrs J. W. NEWMAN.

Mr. M. Price, druggist, of this place, died last Sunday morning after protracted illness. He came to Fayetteville about a year ago, and by his intelligence, gentlemanly manners and strict integrity drew around him a circle of warm friends who sincerely mourn his death.
